- Business Consulting
- Leadership Development
- Organizational Health Assessments

A Catalyst for Dynamic Business Stewardship

At Switzer Associates - Leadership Solutions, our mission is to serve as a catalyst to equip, inspire, and support executive leaders in becoming better stewards of their businesses and personal lives. We do this by coming alongside business leaders, delivering personalized executive coaching, exceptional business consulting, facilitating leadership development, and providing vetted executive tools. This is done through a personalized faith-based approach whenever appropriate.

Stewardship Defined

The careful and responsible management of something entrusted to one's care.¹ The act or activity of looking after and making decisions about something...the duty or function of watching or guarding for the sake of proper direction or control.²

Synonyms: administration, care, charge, headship, oversight, management.³

Our Definition: The careful and responsible leadership and management of a company that has been entrusted to your direction and control.

Recommendations

“Jackie is a genuinely caring and deeply insightful coach who helps transform lives. I was impressed by her insight and authenticity. Her coaching sessions have accelerated both my leadership and personal growth. I would highly recommend Jackie to anyone committed to discover and fulfill one’s potential in life, professionally and personally.”

Tammy Thompson, Former Executive Director Twin Lakes Food Bank

“Jackie is a virtuous woman with infectious joy and integrity. I have witnessed her in many roles including Women’s Ministry Director, public speaker, life coach and counselor. I have recommended Jackie for speaking and teaching with stellar results. I have grown spiritually and emotionally from her wisdom and counsel. She is a true gift to my life.”

Tonda Pratt, President of Oasis Services Non-Profit
